

First announcement

Institute of Electron Physics
Ukrainian National Academy of Sciences

Conference of Young Scientists and Post-graduate Students "IEP-2019"

21-24 May 2019

Dear young scientists, post-graduate and master programme students!

The Institute of Electron Physics of the Ukrainian Academy of sciences organizes the traditional conference– “IEP-2019”

The scientific program will cover the following topics:

- *physics of electronic and atomic collisions*
- *elementary processes and physics of phenomena in lasers and low-temperature plasma*
- *spectroscopy of molecules, crystals and disordered systems*
- *technology, properties and applications of materials for the functional electronics*
- *nuclear physics, nuclear-physical technologies, dosimeters*
- *automation of physical studies*
- *interaction with charged particles*

General Information

- 1). The conference will be held at the Institute of Electron Physics of the Ukrainian Academy of Sciences, 21 Universitetska str., Uzhgorod, Ukraine.
- 2). The conference languages will be Ukrainian, and English.
- 3). The scientific program will consist of the Oral Presentations (15 minutes, discussion included).
- 4). The conference program and the accepted Abstracts will be printed in the Book of Abstracts.
- 5). If you want to take part in this Conference, please register at the Local Committee by 28 February 2019.

Please send your application form by the e-mail: iep2019.uz@gmail.com
